

TROPICULTOR

“THE FIRST MACHINE IN THE WORLD WHICH RECONCILES THE ART OF LIVING WITH WORK”

◀ IN PAKISTAN

RANA MAQSUD IQBAL KHAN and his brother harrow their field while walking and carrying on a conversation...

IN INDIA ▶

Sri RAMLOU sows 4 hectares of corn a day, his assistant supervises the seeders sitting down...

◀ IN SENEGAL

A man named DIAGNE reharrows his peanuts without fatigue...

IN EL SALVADOR ▶

the engineer, J.MADRIZ, tests the ridger while agronomists from ATIOCOYO look on...

...and so on, from ploughing to harvest...
